Press Release

IULTCS 30th Global Congress – October 11 to 14, 2009

IULTCS, May 27th, 2009:

The upcoming 30th IULTCS Global Congress will be held in Beijing, China on 11-14 Oct. 2009 at Beijing International Hotel. The CLIA, the sponsor of the Beijing Congress, sincerely invites colleagues from all over the world to take part in and contribute to this great event and welcome to Beijing to have eastern feast of the global leather societies.

At present, the preparation goes quickly and smoothly. More than 280 excellent papers covering the fields of fundamental research, cleaner technology, testing technology and environmental friendly leather chemicals etc. have been received in succession.

The CLIA would like to remind all concerned that the discount period for registration will expire on 8 June 2009. People who would like to enjoy the favourable price, please register before the due date.

Besides, as China has stricter policies for Visa application now, registrants are requested to provide the organizing committee with their detailed informaton including full name, nationality, passport No., company name, title, visa application place, email, fax, address, etc. for issuing invitation letter as soon as possible.

For the details of the Congress, please log on the official website at: <http://www.chinaleather.org/iultcs> or <http://www.iultcs.org/>
